General Microbiology Testing Migration - EMR Update

Date Issued: August 23, 2019

Effective: August 26, 2019

As Pathology Laboratories, Inc. (PathLabs) completes the migration of its Microbiology testing to ProMedica Laboratories (ProMedica PathLabs), we will be making updates and modifications to our database, as more fully described in this disclosure. Please review the information and make changes as applicable to your practice/facility. If you have any questions, please contact our Client Service Department at 419.255.4600 / 800.281.8804 or your Account Executive.

Note: CPT codes are provided for information only and are based on PathLabs' current understanding of Medicare rules and carrier instructions and in accordance with the current issue of Physicians Current Procedural Terminology published by the American Medical Association. Medicare coding may differ from coding used by other third party payers. Questions regarding coding should be confirmed with the payer being billed. PathLabs cannot accept responsibility for the reimbursement clients may or may not receive based on the procedure codes provided.

Our online Test Directory will be updated for these changes beginning August 26, 2019.

Please review the information and make changes as applicable to your practice/facility. If you have any questions, please contact our Client Service Department at 419.255.4600/800.281.8804 or your Account Executive.

Thank you for supporting Pathology Laboratories.
