(Note 1): Unless otherwise specified, all services are billed in the name of Pathology Laboratories, Inc. (PathLabs). The above plans represent a partial list. Please contact our Billing Department if your plan is not shown.

(Note 2): Per regulations, services are billed to the respective Medicare or Medicaid payor by the performing laboratory.

(Note 3): PathLabs is a participating provider in all core products and in the following expanded Medical Mutual product lines: Mercy Health HMO and ProMedica HMO. As of January 1, 2019, PathLabs is a non-network provider in two (2) products sponsored for employees of the Mercy Health System; namely, Mercy Health Choice Plan and Mercy Health Plus Plan. PathLabs is also a non-participant in Medical Mutual's narrow network for OhioHealth System's employees.
